ANTI-DOPING CONTROL

Form to fill out and send together with the subscription form before **23/01/2023** to SBS Studbook
Avenue Prince de Liège 103/4 - 5100 Namur (Jambes) - Belgium - Tel. : +32 (0)81 330 660 - E-mail : sbs@sbsnet.be

CONTROLLED MEDICATION SUBSTANCES

Regulation

- At the end of the Selection Show, two stallions will be randomly selected for an anti-doping control..
- A veterinarian appointed by the Studbook, will collect the biologic samples (urine – blood).
- These samples will be analyzed in a recognized laboratory to control the use of prohibited substances.
- The presence of prohibited substances will lead to a cancelation of the stallion approval.
- The list of prohibited substances and evaluation norms determined in the FEI regulations is applied.
- Two stallions will be randomly selected after the final test for loose jumping.
- Two stallions will immediately be escorted to a dedicated stall, where the veterinarian will collect the urine and blood samples.
- A delay period of thirty minutes will be respected for the collection of urine.
- The stallion owner cannot refuse to submit his stallion for this sample collection.
